Racial Profiling Complaint Form Definition of racial or biased based profiling A law enforcement-initiated action based on an individual's race, ethnicity, sex, gender, age, religion, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity. Racial or biased based profiling pertains to persons who are viewed as suspects or potential suspects of criminal behavior. The term is not relevant as it pertains to witnesses, complainants, persons needing assistance, or other citizen contacts. Acts constituting racial or biased based profiling acts initiating law enforcement action, such as a traffic stop, a detention, a search, issuance of a citation, or an arrest based solely upon an individual's race, ethnicity, sex, gender, age, religion, or national origin or on the basis of racial, ethnic, or any other stereotypes, rather than upon the individual's behavior, information identifying the individual as having possibly engaged in criminal activity, or other lawful reasons for the law enforcement action.
